

LVCC Helps Send New Lebanon Children to Summer Camp

In March of 2025 the Lebanon Valley Community Corporation (LVCC) launched its annual campaign to raise money so children in need can attend Summer Camp.

Thanks to many generous donations, LVCC is sending 8 children to the 8-week Summer Youth Camp at Shatford Park in New Lebanon, complete with swimming lessons and field trips (<https://townofnewlebanon.com/summer-youth-program>).

This program is an important and vital resource for the community at large. When schools are closed, the Camp provides children with healthy and stimulating programming and allows parents to continue to work, knowing that their children are safe and cared for during the summer season.

LVCC's mission is to foster the community and economic well-being of the Town of New Lebanon, its residents and its neighbors.

In addition to supporting the Summer Youth Camp, LVCC runs an annual school supply drive, an annual holiday gift drive, and other periodic programs that help enrich the community.

Please consider supporting the work of LVCC. All donations are tax deductible.
