

HELP FOR A FAMILY DISPLACED BY HOUSE FIRE BEFORE THE HOLIDAYS

FEBRUARY 1, 2025

The **Lebanon Valley Community Corporation (LVCC)**, a New Lebanon-based nonprofit, activated its Disaster Relief program to assist a family in New Lebanon whose home was destroyed by fire in December.

“Losing your home just before the holidays is an unimaginable disaster. But the quick and generous response from LVCC and other concerned citizens demonstrated the generosity of spirit and concerned neighborliness that so characterizes the community here in New Lebanon.” Tistrya Houghtling, New Lebanon Town Supervisor.

LVCC has plans to expand this program in 2025 to include online fundraising for families displaced from their home by a natural or accidental disaster.

LVCC’s mission is to foster the community and economic well-being of the Town of New Lebanon, its residents and its neighbors.
