

Help Send Kids to Summer Camp!

The Lebanon Valley Community Corporation (LVCC) is launching its annual campaign to raise money so children in need can attend an 8-week summer youth program at Shatford Park in New Lebanon. This program is for New Lebanon residents only.

This program is an important and vital resource for the community at large. When schools are closed, the Camp provides children with healthy and stimulating programming and allows parents to continue to work knowing that their children are safe and cared for during the summer season.
