

## New Lebanon, N.Y.: Anonymnous \$10K donation boosts LVCC gift to food bank

Nov 11, 2025

---

For the third consecutive year, the Lebanon Valley Community Corporation has raised funds to support the Regional Food Bank's BackPack Program.

The LVCC's \$13,230 donation includes an anonymous \$10,000 gift from a donor who shared, "We are not wealthy, but I grew up in a small town much like New Lebanon, and my family benefitted greatly from the generosity of others – this is our paying it forward."

LVCC President Erminia Rasmussen said, "We are profoundly grateful for this remarkable demonstration of generosity, which will directly benefit a great number of children across the New Lebanon School District."

The BackPack Program helps alleviate child hunger by discreetly providing children with bags of nutritious and easy-to-prepare food each Friday, ensuring they have meals over the weekend. To learn more, visit [tinyurl.com/2k9496es](https://tinyurl.com/2k9496es).

The LVCC also raises funds for an annual holiday gift drive, the New Lebanon Summer Youth Camp, and other periodic programs that help enrich the community. For more information or make a donation, visit [lebanonvalleycc.org](https://lebanonvalleycc.org).
